

UKFF SOUTH DIVISION FIXTURE LIST 2016-17

Pools 2 and 3 - First and Second Divisions

- 1 All games run 3 x 15 mins with the last 3 mins effective time
- 2 Each slot has 60 minutes which must not be overrun - the final third may run for a shorter time to avoid this
- 3 Should a game be required to end sooner, referees & match officials should advise players before the start of period three
- 4 For each fixture the 'responsible' team is the team scribing the first match, who need to ensure they arrive in good time for the rink to be set up with the help of the first two teams playing
- 5 Teams playing the final fixture should be jointly responsible for clearing away the rink & venue
